

Reusche & Co.

a division of
Trans World Supplies, Inc.

Material Safety Data Sheet

1299 H Street, Greeley, Colorado 80634, USA (970) 346-8577
Fax: (970) 346-8575 Email: info@reuscheco.com

Issued By: Jon C. Rarick, President

Product Number: D1368

Product Name: Water Base Painting Medium

Firing Temperature:

Issue Date: 7/31/2008

Page: 1 of 2

Section I: General Information

Manufacturer's Name:

Reusche & Co. of Trans World Supplies, Inc.

Emergency Telephone Number:

Regulatory Information: (970) 346-8577 (Weekdays 8:00am - 5:00pm MST)

Poison Control: Poisindex (303) 629-1123 (24 hrs)

Manufacturer's Address:

1299 H Street, Greeley, Colorado, 80631, USA

Section II: Physical Data

Boiling Point:

Not Applicable

Specific Gravity (H2O = 1):

Approximately 3.5

Vapor Pressure (mm Hg):

Heavier than air.

Percent Volatile By Volume (%):

0

Vapor Density (Air = 1):

Not Applicable

Evaporation Rate:

Slow

Section III: Fire and Explosion Hazard Data

Flash Point:

248F

PH:

Not Applicable

Unusual Fire /Explosion Hazards:

Not Applicable

Extinguishing Media:

Carbon dioxide, dry chemical, foam or water mist.

Solubility in Water:

Insoluble

Decomposition Temperature:

Not Applicable

Fire Fighting Procedures, Special:

Should wear self-contained breathing apparatus and full protective clothing when fighting chemical fires.

Appearance:

Amber or clear liquid

Melting Point:

Not Available

Section IV: Health Hazard Data

Emergency and First Aid Procedures - Eyes:

Flush eyes with water for at least 15 minutes. Call a physician

Emergency and First Aid Procedures - Skin:

Wash with mild soap and water. Call a physician.

Emergency and First Aid Procedures - Ingestion:

If conscious, give large quantities of water. Do not induce vomiting. Call a physician.

Emergency and First Aid Procedures - Inhalation:

Remove to fresh air. Call a physician.

Emergency and First Aid Procedures - Other:

Wash contaminated clothing prior to reuse or dispose of.

Section V: Reactivity Data

Stability: Stable

Incompatibility (Materials to Avoid) Hazardous Decomposition Products:
Strong oxidizing agents

Hazardous Polymerization:
Will Not Occur

Section VI: Spill or Leak Procedures

Spill Procedures:

Use appropriate protective equipment during clean up. If reportable quantity is exceeded, contact the National Response Center. Soak up with inert absorbent and dispose in accordance with federal, state, and local regulations.

Waste Disposal Methods:

Dispose in accordance with federal, state and local regulations. For industrial use only.

Section VII: Special Protection Information

Ventilation:

Use adequate, localized ventilation for all handling operations.

Protective Gloves:

Rubber gloves recommended

Eye Protection:

Use safety goggles or glasses.

Respiratory Protection:

The use of NIOSH approved respirators equipped with fume, and mist H.E.P.A. filter cartridges during all handling operations recommended. Follow manufacturers recommendations

Other Protective Equipment:

Wear protective clothing such as impervious plastic overalls or aprons with sleeve covers.

Section VIII: Special Precautions

Handling, Shipping and Storing Precautions:

Avoid breathing mist. Use with adequate localized ventilation. Avoid contact with skin, eyes and clothing. Wash thoroughly after handling, and before eating, drinking, or smoking. Keep away from food and food products. For manufacturing use only. Store in sealed closed containers.

Section IX: Right to Know Information

Chemical Name

CAS #

Propanol, Oxybis-
Cellulose Ether

25265-71-8
9004-58-4
